

Basel – successfully changing mobility behaviour

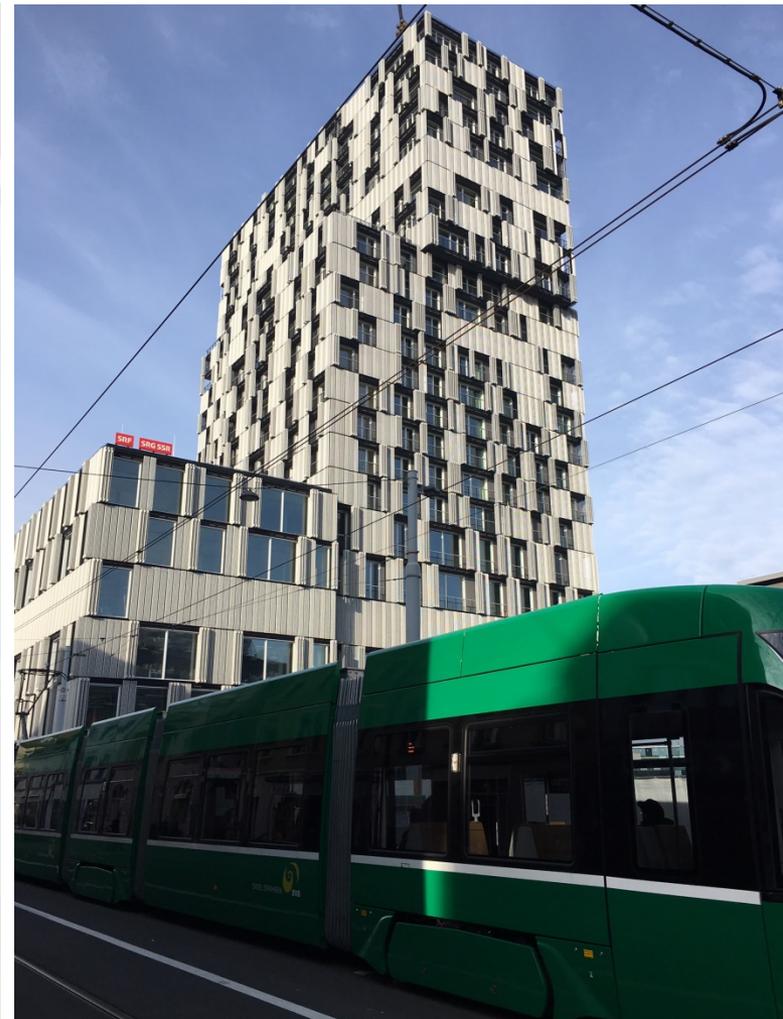

Public transport as backbone: solid and reliable, currently updated

Setting clear priorities in allocation of time and space

Alain Groff – City of Basel

SUMP Conference Groningen – 18 June 2019

Lively urban districts creating a city of short distances

SUMP Conference Groningen – 18 June 2019

Co-operation and consensus with citizens, stakeholders, neighbours

Giving innovation a chance, but not blindly addicted to it

Literally no space for ideology
